

ZIUA EUROPEANA A SPORTULUI SCOLAR

Cu prilejul Zilei Europene a Sportului Scolar, toti elevii Scolii Gimnaziale Ciprian Porumbescu au descoperit valori importante care contribuie la dezvoltarea lor personala si sociala, de la disciplina, responsabilitate, respect, incredere in sine, perseverenta, buna dispozitie, cooperare, spirit de echipa, la incluziune si diversitate.

Respect deosebit pentru cadrele didactice: eforturile dvs. neobosite si pasiunea cu care lucrati zilnic nu doar ca inspira elevii, dar contribuie si la formarea lor ca oameni completi, pregatiti pentru provocarile viitoare.

On the occasion of European School Sport Day, all students of Ciprian Porumbescu School embraced essential values that contribute to their personal and social growth. From discipline, responsibility, respect, self-confidence, and perseverance, to joy, teamwork, inclusion, and diversity, these values shape their educational journey.

Special recognition goes to our teachers: your unwavering dedication and passion not only inspire our students, but also play an important role in shaping them into well-prepared adults, equipped to face future challenges with confidence.
